

Working at Coin Street

Job pack

Coin Street 

Creating an inspirational neighbourhood

Some use our nursery, our sports pitches or have attended conferences in our neighbourhood centre. Others live or work on our South Bank site. But most of the thousands of people who pass through the Coin Street site every day don't even know we exist.

That's a shame. Because our story matters.

It's a story about inclusiveness and diversity. About culture, community, and commercial success. About how we work together to create an inspirational neighbourhood - today, tomorrow, and forever.

BE PART OF IT

What we do

We provide the opportunities and spaces for people to lead their own change. Our activities are wide and far reaching. From giving families and children the best start in life through our childcare and family support, to creating and maintaining high quality live, work and play spaces on land which we own.

We promote enterprise, creativity and lifelong learning whether that's through providing employment, volunteering opportunities, nurturing enterprise or delivering programmes and activities.

Our commercial activity/income generating activity ranges from hosting conferences and events in our purpose built centre. to supporting London's top creative talent through our designer maker studios at Oxo Tower Wharf and/or shops/studios in Gabriel's Wharf.

This work is a central part/pillar of our efforts to support our neighbours and community to thrive.

We provide housing that supports our community; we champion co-operative housing and influence local and national housing policy. From sports and dance to healthy eating and gardening, we offer a range of facilities and activities accessible to everyone to support health and wellbeing in our community.

We are conscious that our neighbourhood is a small part of a global community and that we all need to work together to tackle the challenges faced by the earth and all who live on it.
